

DANGEROUS NEO-NAZIS LIVE IN YOUR COMMUNITY

Trenton resident **James Rohman** (pictured 3rd from left) at a *World Church of the Creator* rally. *World Church of the Creator* is a white-supremacist group that works closely with the *Ku Klux Klan* and other racist groups.

Racist police won't help

Newspapers glorify them

FIGHT BACK!! DEFEND THE DIVERSITY OF OUR COMMUNITIES!!

The only way to defend your friends, family, and loved ones from violent racist extremists is to fight back with direct action. Don't let hate-mongers have the street! There are currently 34 active hate-groups in New Jersey alone and over 90 in the Tri-State Area. It is time we realize these are not fringe-groups; they are a dangerous force that threaten our freedom and the safety of our neighborhoods.

The **Anti-Racist Action Network (ARA)** is a decentralized network of militant anti-fascists and anti-racists in North America. **ARA** activists organize a variety of actions to expose, oppose, and confront hate in whatever form threatens the diversity and safety of our communities. We are dedicated to building a fun, diverse, liberated and explicitly anti-racist, anti-sexist and anti-homophobic counter-culture. We **oppose and fight** white supremacist groups like the KKK and neo-nazis, police brutality, and religious extremists (to name a few). **We believe the only way to disrupt and ultimately destroy these groups is to do it ourselves!**
